## ORCHARD FESTIVAL CELEBRATES 27 YEARS!

### A NOTE FROM OUR FESTIVAL CHAIR, MARCIE SKELTON

Greetings! I'm Marcie Skelton, and I am currently serving as the chairperson for the Dairyville Orchard Festival. My journey with this festival began during its 11th year, and now we're proudly celebrating its 27th year. Throughout my involvement, I've been consistently impressed by our small committee that transforms this event into a reality for our community. Together, we've achieved remarkable feats. But the reality is there are not enough people to help organize this event each year and it is a strain to keep going. Please consider joining the Dairyville Orchard Festival Committee so we can keep this tradition alive. I would especially like to encourage those that have been recipients of our scholarship to find a way to give back to the organization that helped you! I can be reached at [dairyvilleorchardfestival@gmail.com](mailto:dairyvilleorchardfestival@gmail.com) and would love to have your help. I know we are all busy, but please consider how you can help serve your community.

Our committee's primary objective is to orchestrate an event that not only brings together exceptionally skilled crafters and diverse artisans, but also establishes a flourishing agricultural marketplace. In addition, we spotlight talented musical performers and a silent auction. This winning formula has proven successful. To date, the Dairyville Community Club has granted a remarkable total of \$347,000 in scholarships!

Our community's tribute to local agriculture is a genuine celebration of our close-knit community, honoring the unwavering dedication and resilience of the farmers who proudly call Dairyville and Tehama County their home. We do so with a focus on the future, as we wholeheartedly support the educational aspirations of our community members.

The Dairyville Community Club wants to extend a warm thank you to Lassen View School for 27 years of welcoming accommodations. We could not have done this without your continued support! Thanks for hosting us.

In closing, I invite you to attend the 27th Annual Dairyville Orchard Festival, on October 19, 2024. The event is held at Lassen View School (10818 Hwy 99E, Los Molinos, CA) from 10am to 4pm. Parking is free and so is admission. Follow the signs for safe and easy parking behind the school. We have a bustling Ag Store full of local nuts and prunes, local musicians showcasing their talent, artisan craft vendors, a delicious array of food vendors to try and so much more. Come help us raise scholarship funds and spend an enjoyable day in Dairyville!
